

Speaker: Sharon Parker
California State Controller's Office
Session: Tax Sale Training Workshop

Sharon Parker has been with the State Controller's Office since September 2014. She is currently a Program Analyst in the Property Tax Standards Unit. Prior to her position with the State Controller's Office, Sharon's career was primarily in the fields of regional economic analysis, land use planning, economic development, and labor market analysis. In addition, she spent several years in real estate. Sharon received her Bachelor of Science in Economics from George Mason University and her Master of Arts in Economics from the University of Southern California.
